Remarks

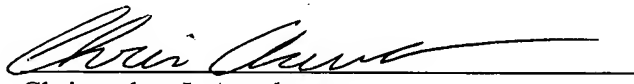

Applicant has amended the claims to include the limitations of claim 16 in the independent claims 1 and 27. These claims now include the section locks that are not taught by any of the art of reference. This is noted by the examiner as allowable subject matter. As such, claim 16 has been cancelled and the claims, which formally depended from claim 16 now depend from claim 1.

Applicant respectfully requests that a timely Notice of Allowance be issued in this case.

Respectfully submitted,
